Cool it Art

Lambeth

Book Day

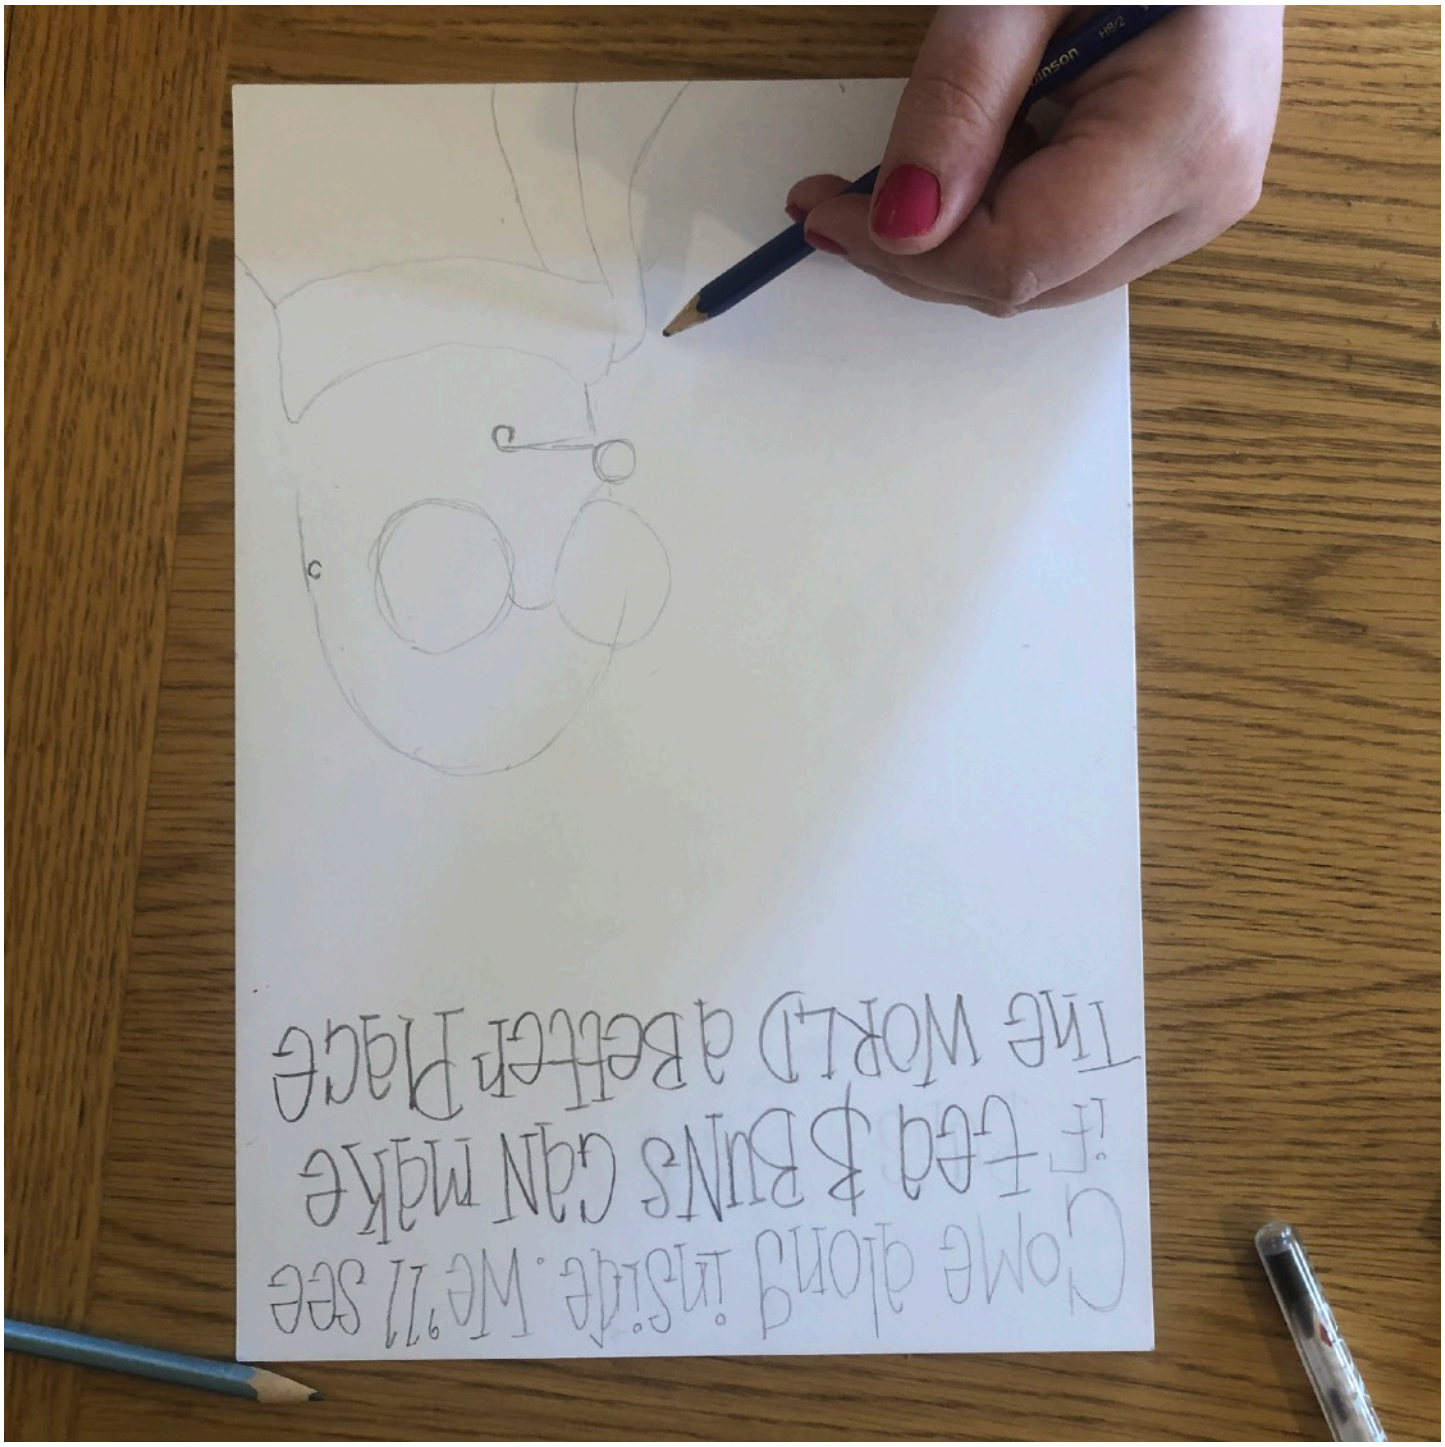

To celebrate to Book Day why not illustrate your favourite favourite book with a quote or character from it!

Tools and Materials:

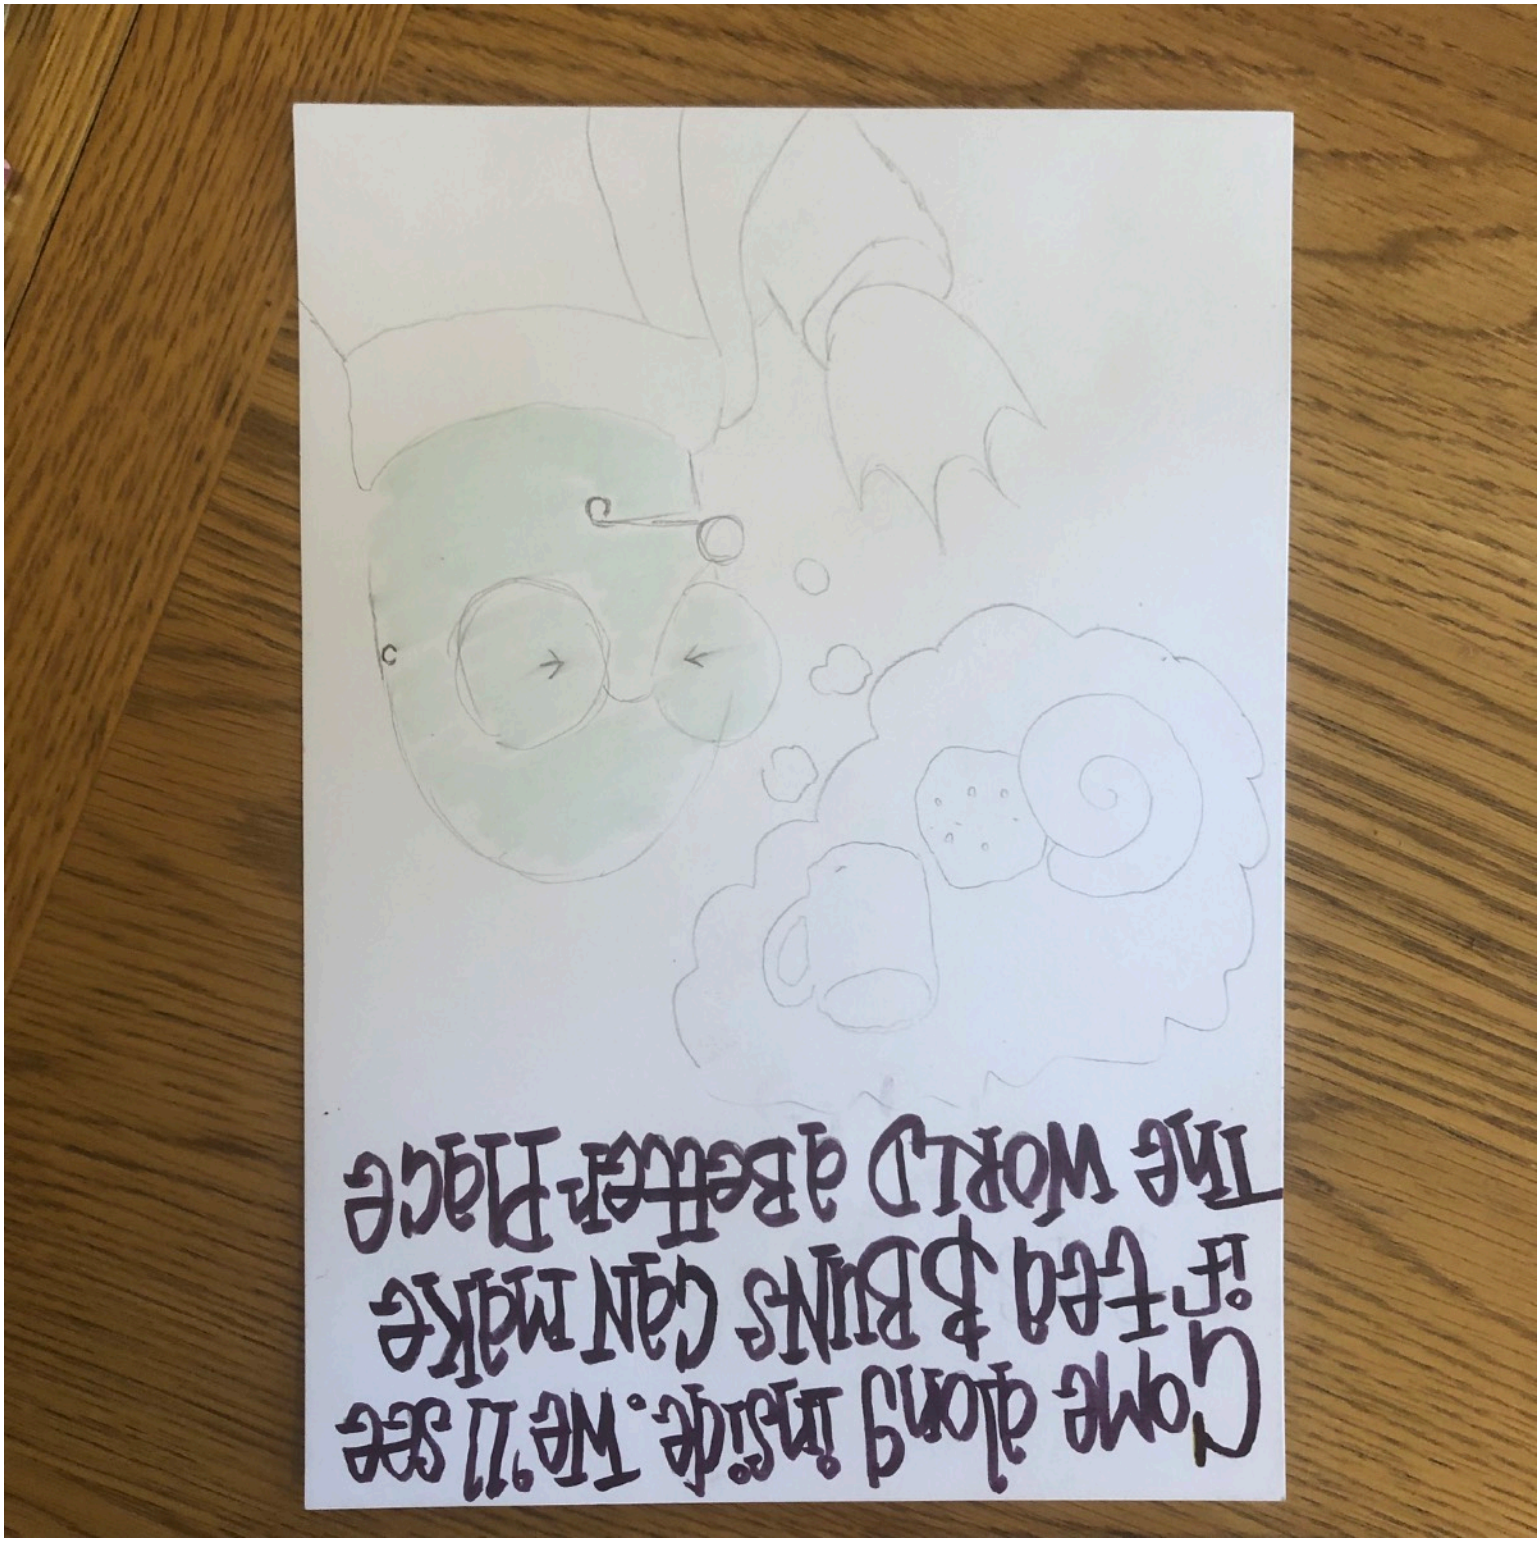

- Paper
- Pencil
- Felt tips (or colouring pencils whichever you prefer)

What books have you read that inspired for you? Was it a book at school or a book for fun at home? There are so many amazing books to read - what one will you chose? We thought Wind in the Willows would be fun, Mr Mole was the character that jumped out for this. Once you know what you want to draw think how the text and image will work with one another and start drawing!

Once you are happy with your drawing you can colour it in and outline any text you have added to the image

And there you have it your very own “Book Day Drawing”
