Chinese NY: Dog Masks

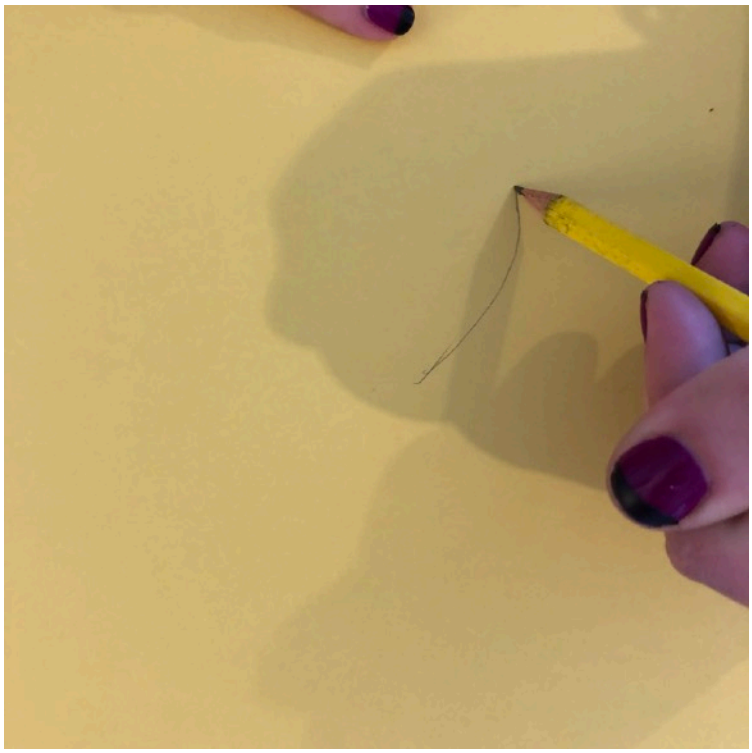

For Chinese Year of the Dog why not create your own Dog mask to either wear or adorn your wall!

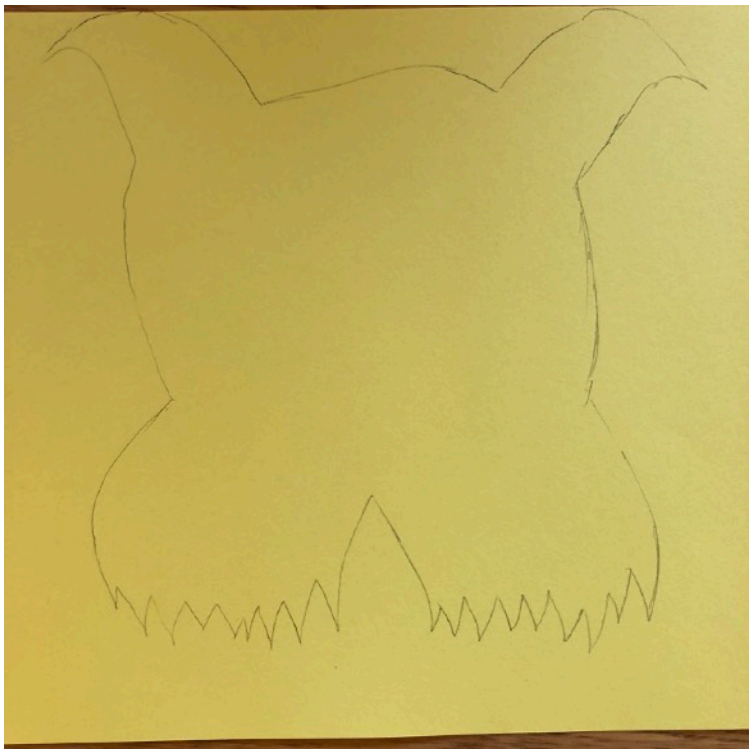

Tools and Materials:

- Coloured Paper
- Pencil
- Gluestick
- Scissors

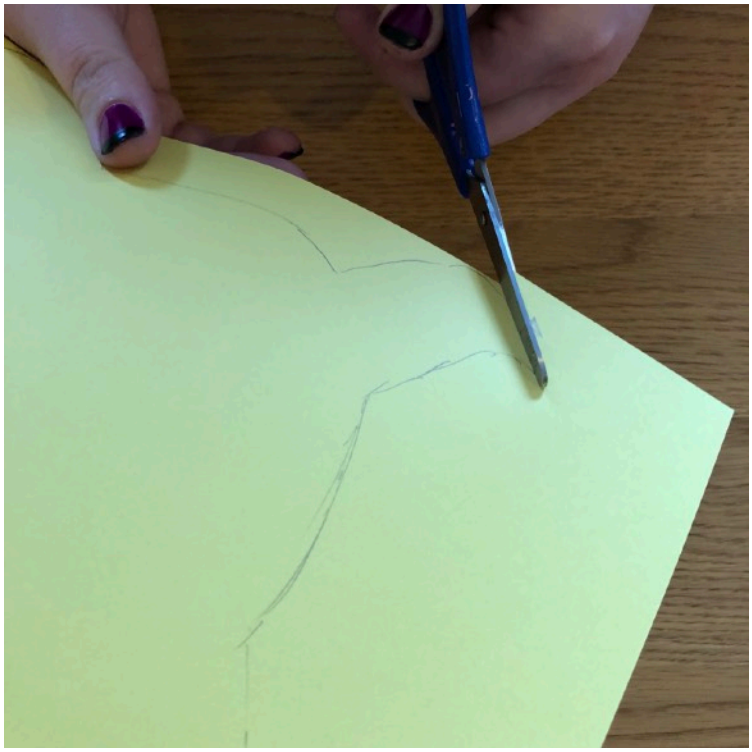

Choose which colour you would like for the base of your dog mask then draw the outline for it

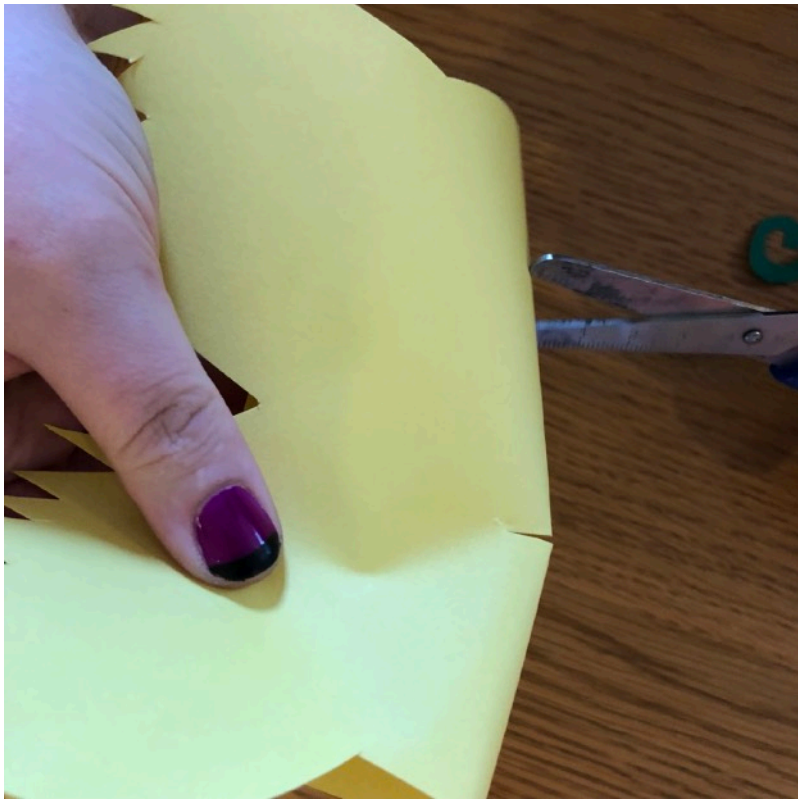

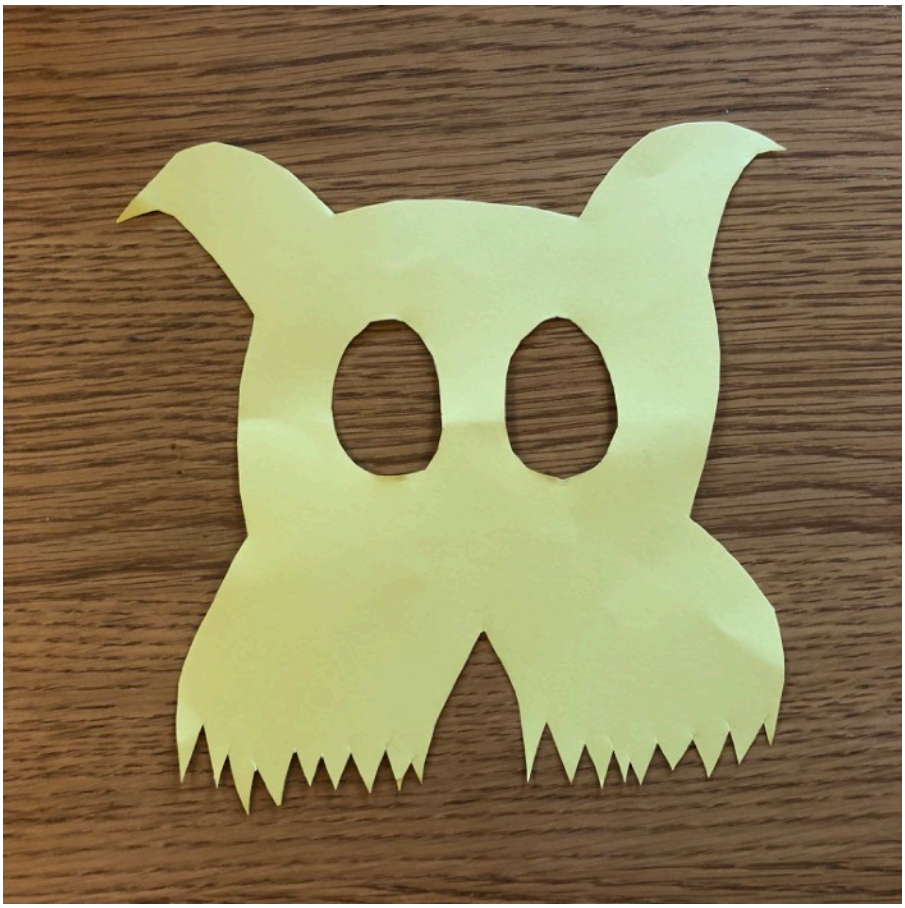

When you are happy with it you can cut it out

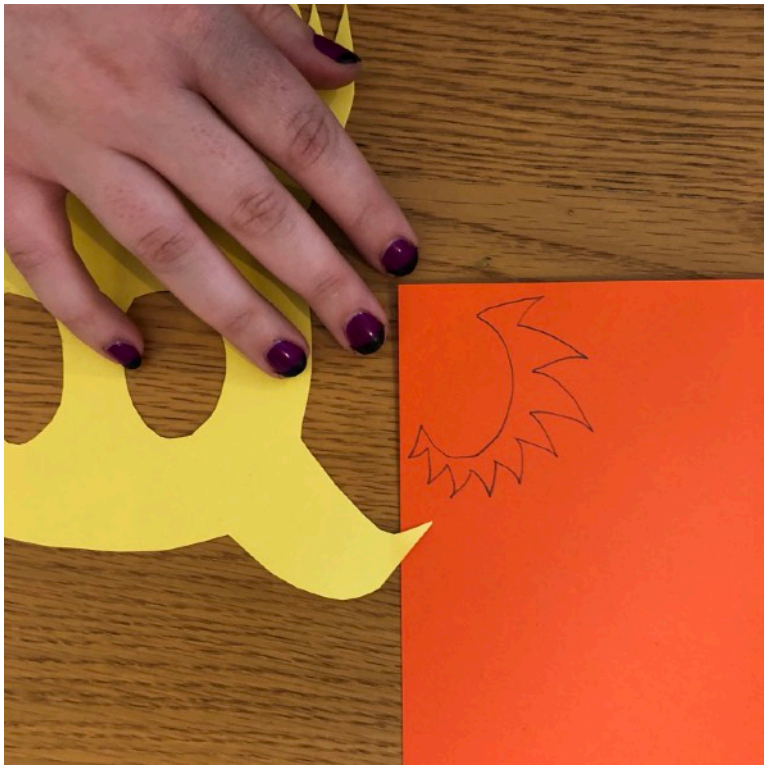

When you have the background for your mask cut out the eyes where you would like them to be (so you can see out of it!)

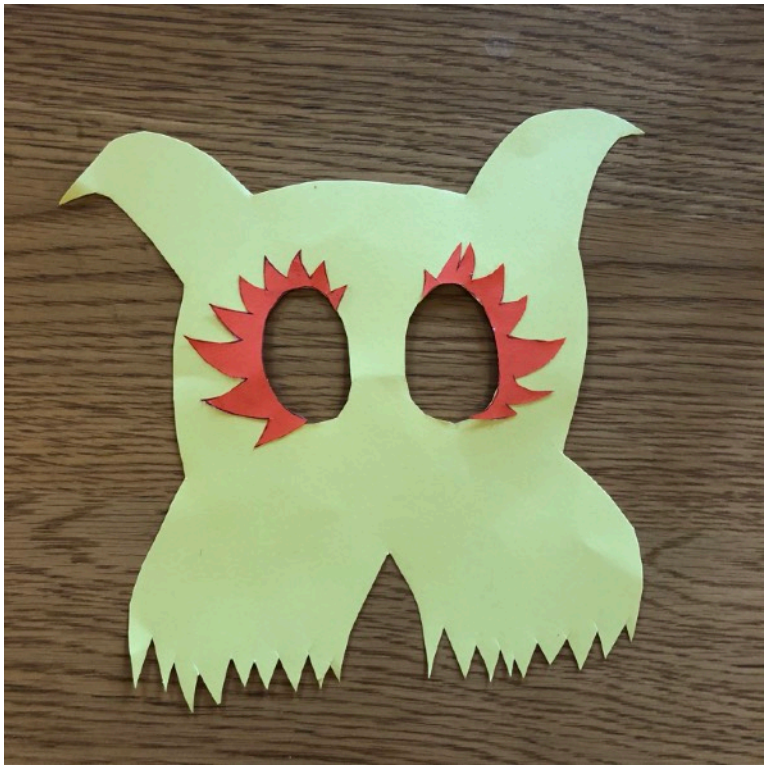

Use the other pieces of paper to create your decorations such as a nose, mouth, eyelashes and anything else you would like on it to brighten it up

And there you have it your very own Dog Mask for Chinese NY - Year of the Dog!

Here is another we made to inspire you!
