Junk Selfies

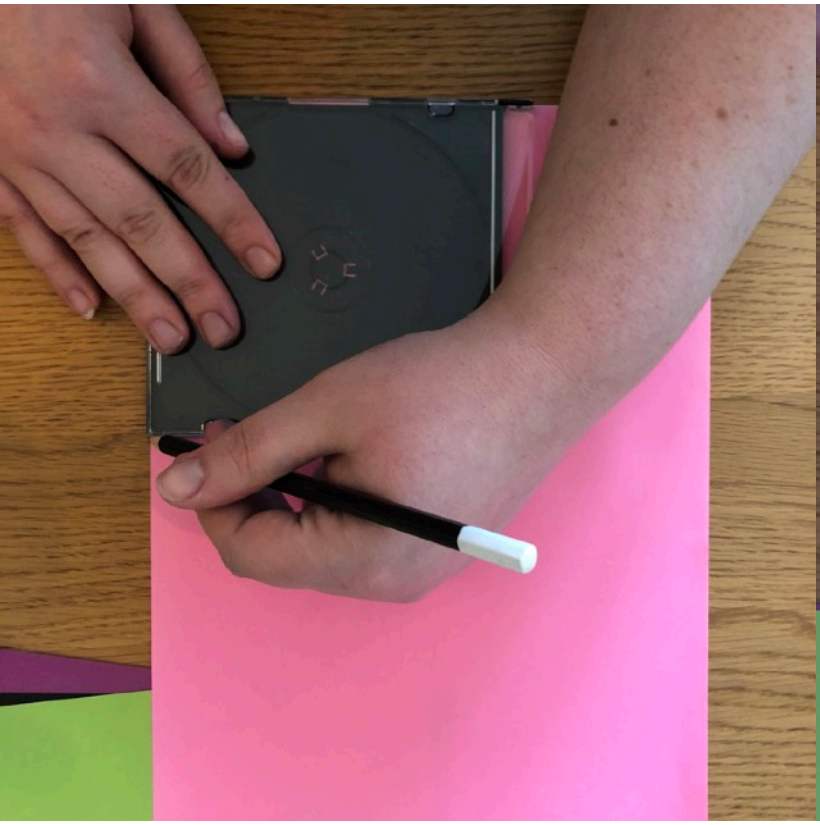

Celebrating Halloween why not create your own Spooky Silhouette of a Horrible Haunted House!

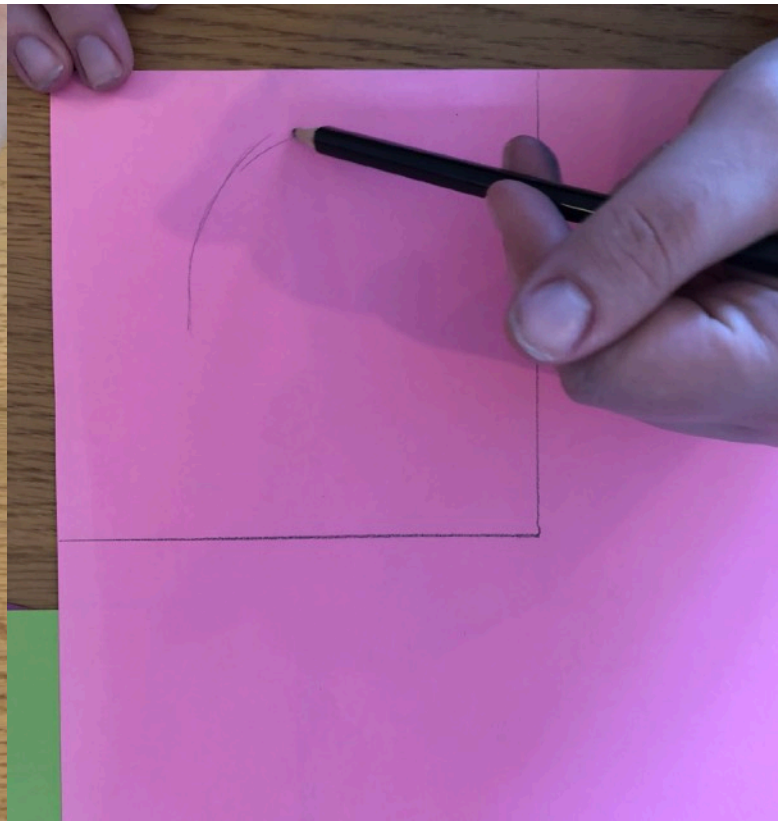

Tools and Materials:

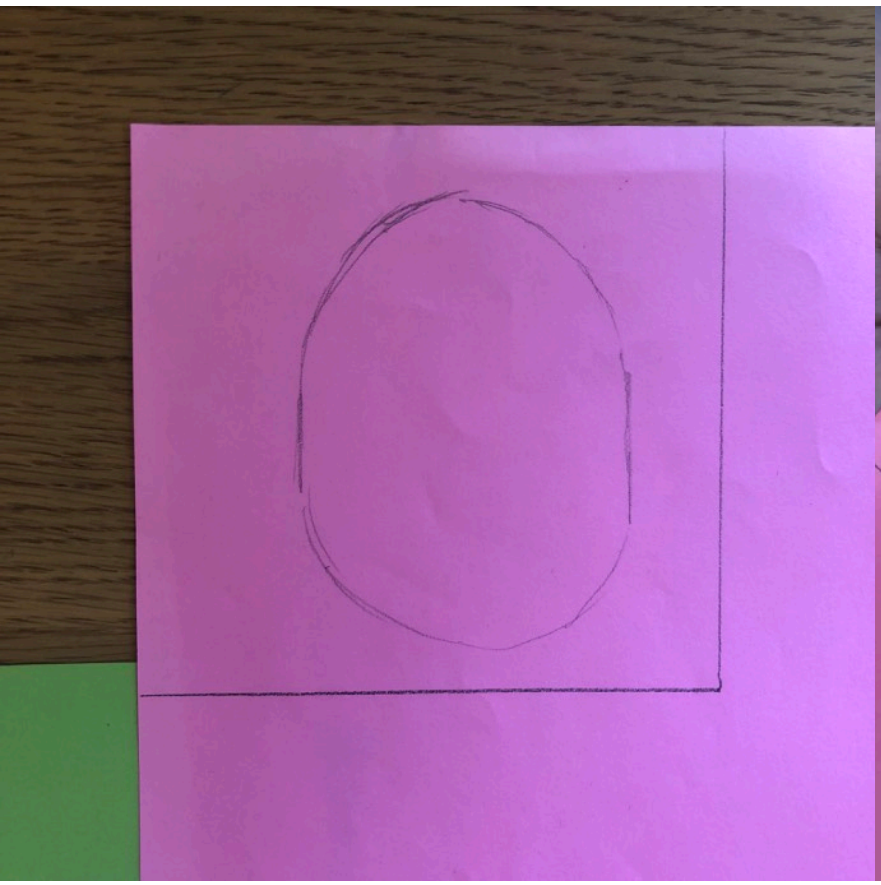

- Coloured Paper
- Pencil
- Gluestick
- Scissors
- Any junk like sweet wrappers etc to embellish
- CD Case to frame it

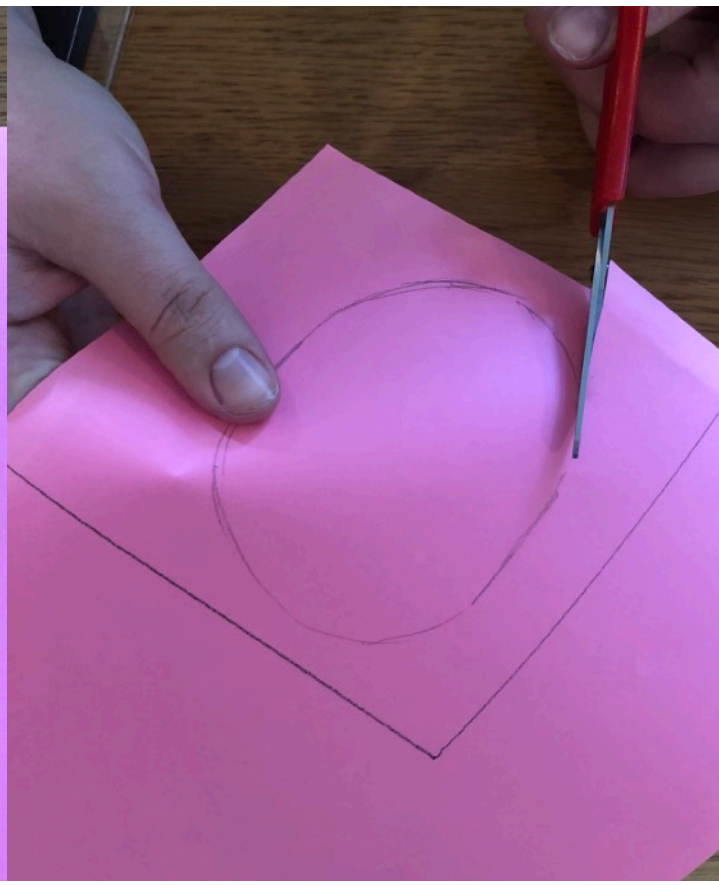

To start you can create your face - measure the paper or material you want to use against the CD case to make sure it fits!

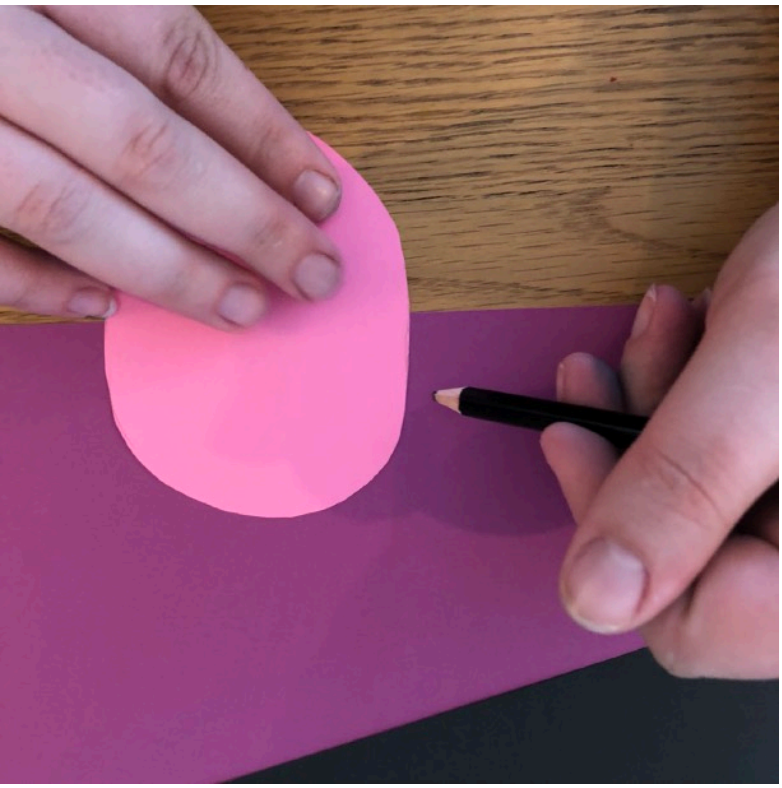

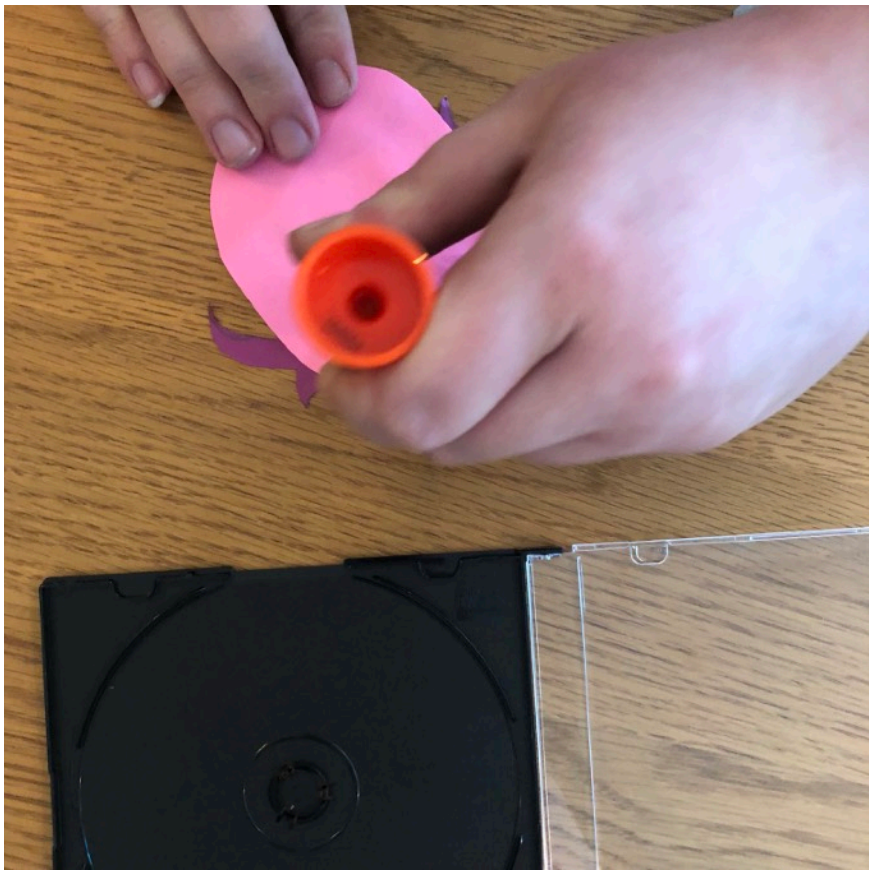

Once you have out your face you can use it as a guide to cut out hair then you can add on your other features

When you are happy with your selfie you can stick it in

There you have it your very own “Junk Selfie”

Here are some more we made to inspire you!
