Kindness Board

This can be done any time of the year however there is actually a World Kindness day on the 13th November - remember to carry out some kind acts!

Tools and Materials:

- Felt Tips
- Paper

This is a really simple art project - all you need to do is think about what kind things you already do and what kind things you could do and then draw them!

And there you have it your very own “Kindness Board”

Here is another we designed to inspire you!
