Make Yourself a Monster

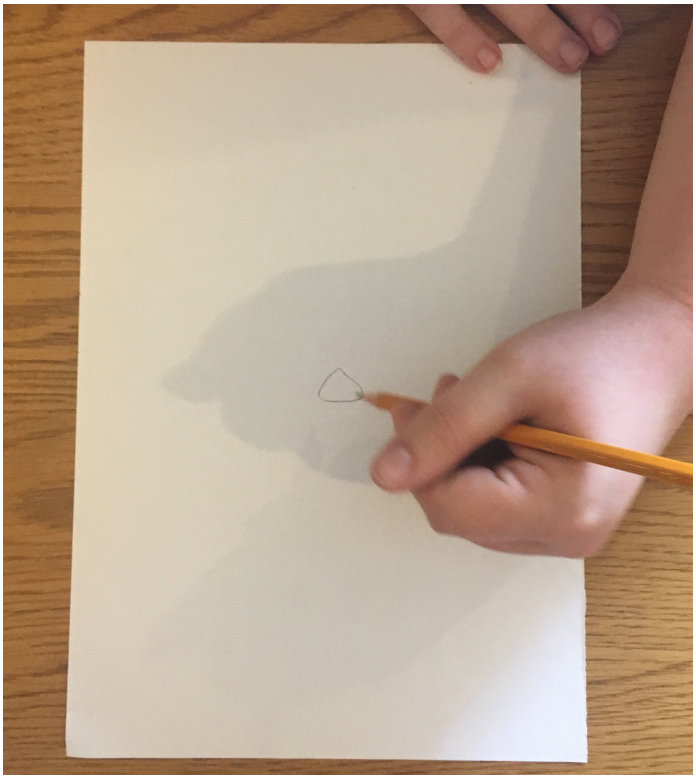

Taking inspiration from Halloween why not “Make Yourself a Monster”?

Tools and Materials:

- Paper
- Felt Tips
- Pencil

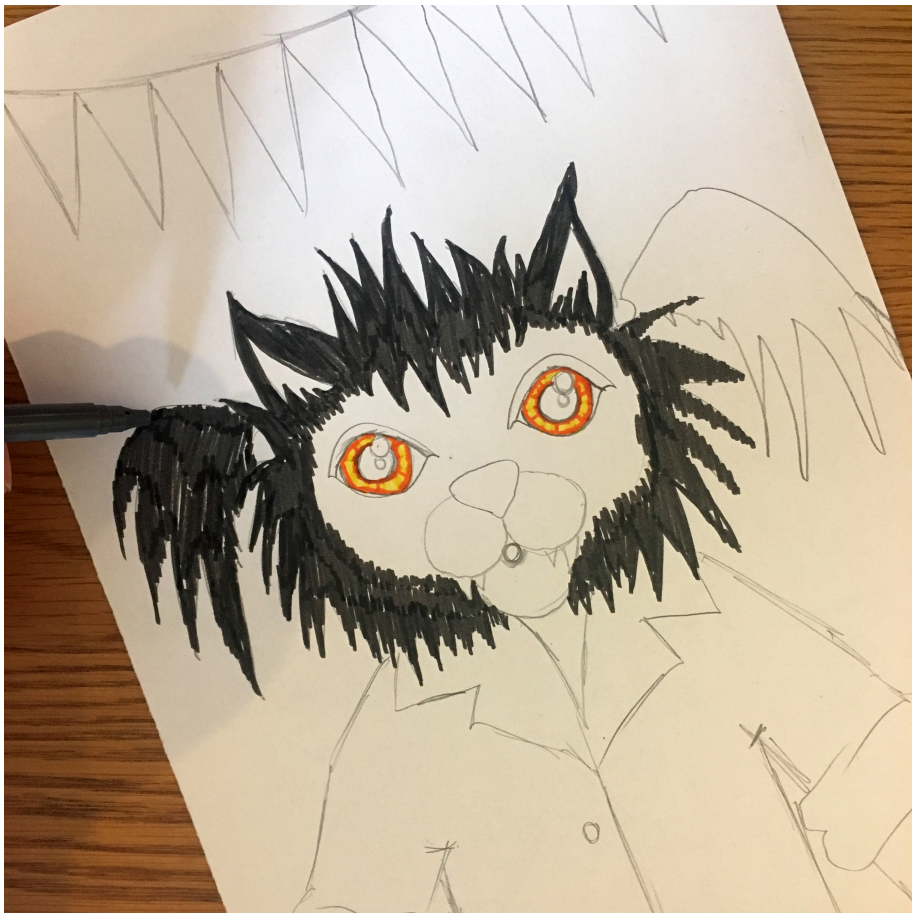

First things first what kind of monster could you be? A vampire, ghost, mummy or…? You could even create your own made-up monster! I decided to make myself a werewolf! So draw what you think you would look like as monster like so.

Once you are happy with your monster then you can start colouring it in.

And there you have it “Make Yourself a Monster”

Here’s another we made to inspire you!
