

Memory Box

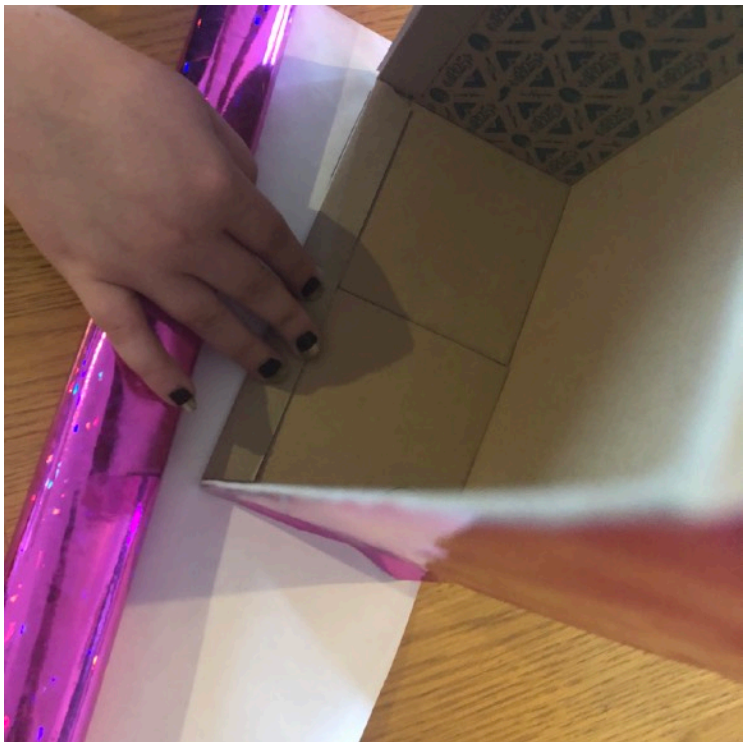

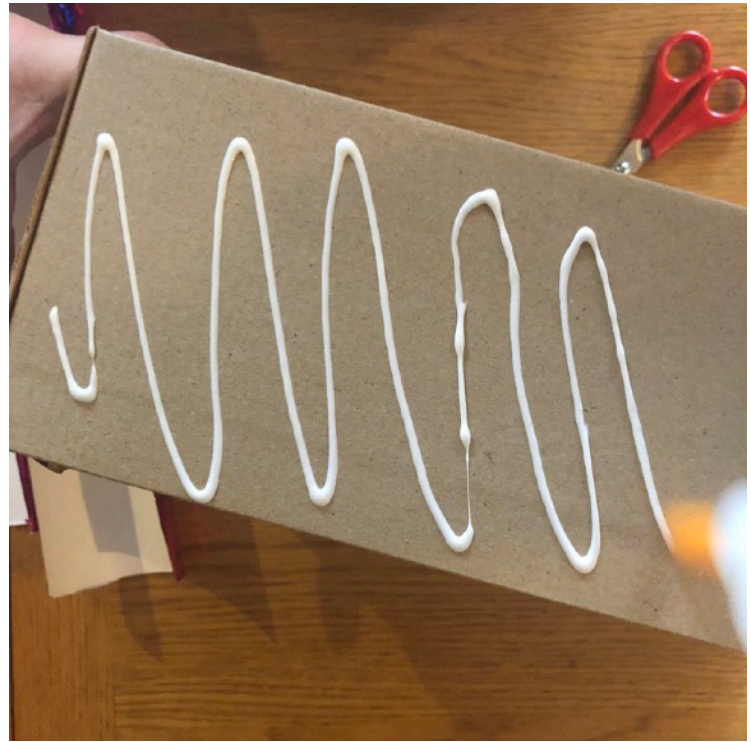

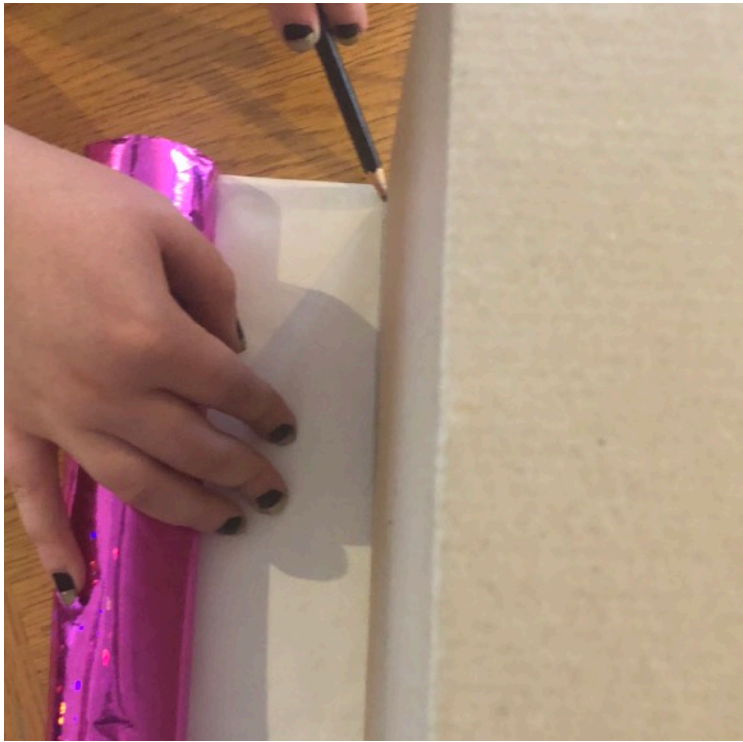

This is a lovely way to transform a shoe box or any other lidded box into a personalised memory box to keep photos, letters, certificates or anything else that is important to you in to look back on over the year!

Tools and Materials:

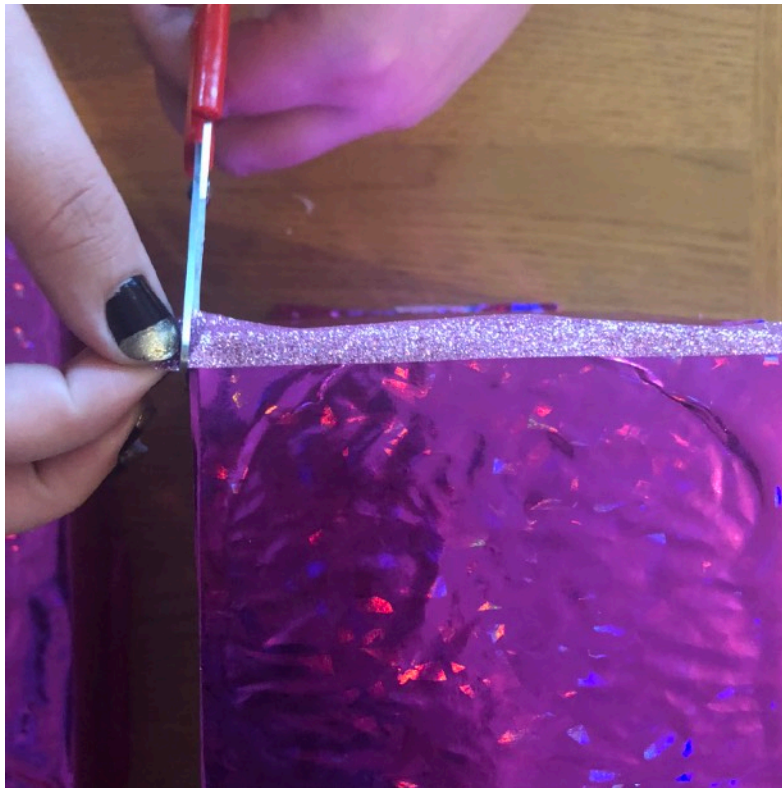

- Coloured Paper
- Wrapping Paper
- Washi Tape or Stickers
- Scissors
- Glue (PVA)
- Pencil
- Shoe Box

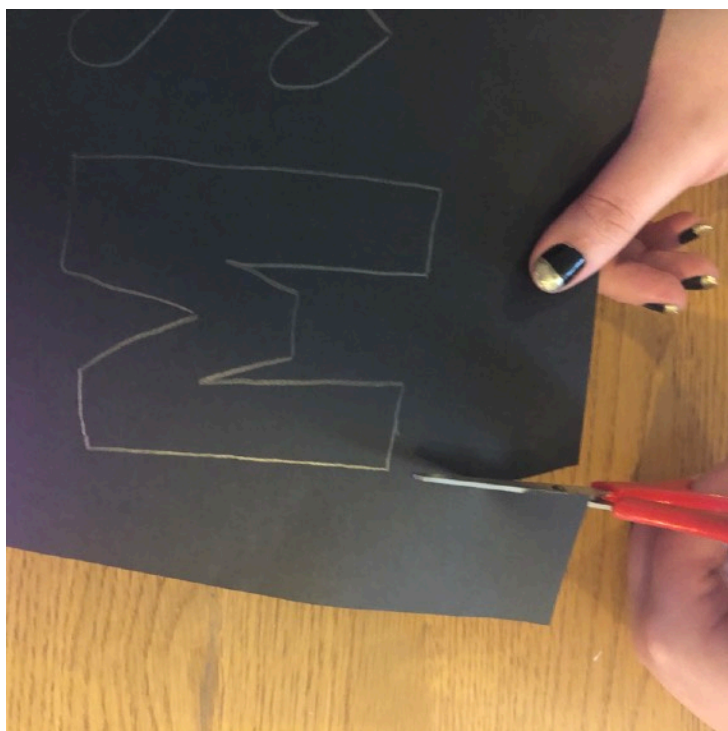

First of all you need to cover your box, the base and lid - we chose to use wrapping paper you could use magazines or anything else you have around the house. Measure the paper to the right size to stick it on in sections like so and glue it to the different sides - you can even do inside the box if you want as well!

We found some really cool glitter Washi tape if you don't have any you can use colour paper or glitter and glue to make it really exciting or even your favourite stickers

We also thought it would be fun to create some extra decorations like an initial to mark the box and some extra decorations

Stick your decorations on with the glue like so

There you have it your very own “Memory Box”
