

Best Mum Certificate

This teaching pack is dedicated to my Mum, Mary Somerville, for always encouraging me!

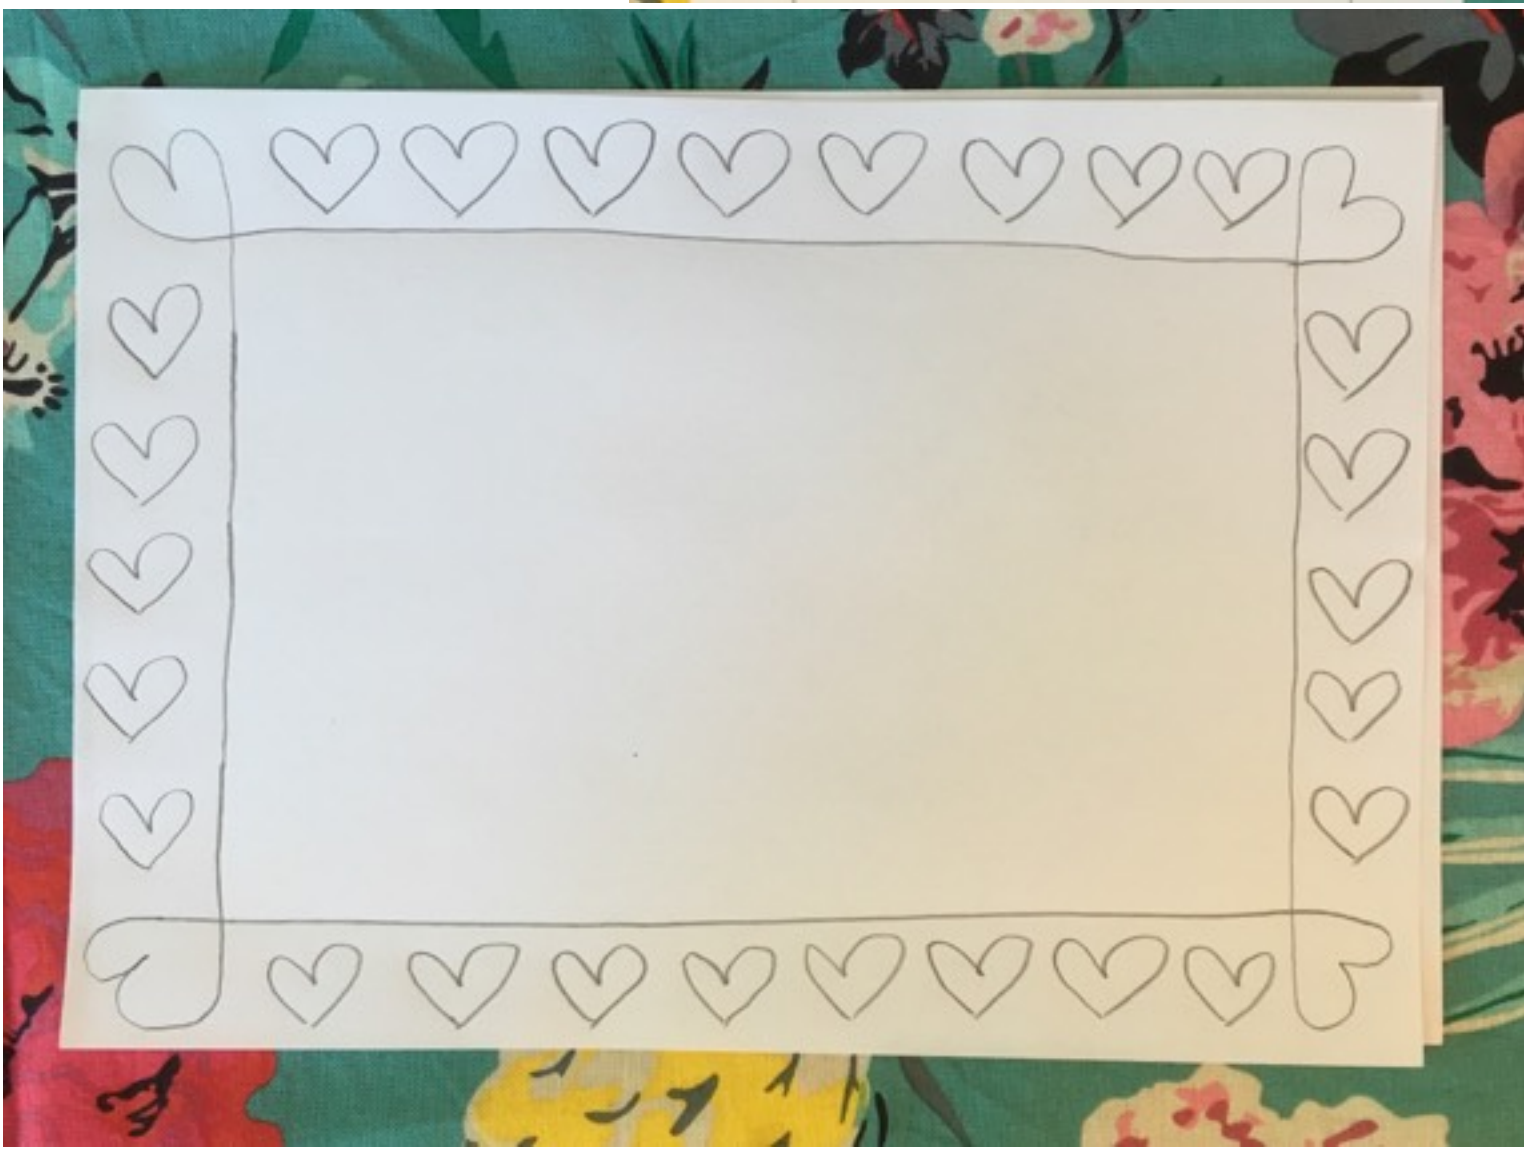

We created these for Mother's Day but you can do them any day of the year to show appreciation for your mum - to be fair you could make this for anyone important to you!

Tools and Materials:

- Paper
- Pen
- Pencil
- Felt tips

So first of all we designed the border to make it look like a certificate

Once you are happy with your design you can colour it in!

So why is your Mum the best Mum to you? Can you come up with 3 reasons?

And there you have it your own "Best Mum" Certificate!
