

# CoolitArt

## “I <3 Lambeth”

We worked in partnership with Mace building company to create drawings about our local neighbourhood to adorn the hoardings of Vauxhall Sky Gardens - why not draw what you love about your neighbourhood?

Tools and Materials:

- Paper
- Pencil
- Coloured Pencils

Why not start off with writing “I love...” wherever you live and think about your favourite bits of your local area

We like the community centre we run the classes in, Vauxhall City Farm, The River Thames, Vauxhall's Skyline and the original site of City & Guilds of London Art School! All that's left to do is colour it in!

And there you have it your own "I <3 Lambeth" drawing

Here is another we created to inspire you
