

Men who Inspire

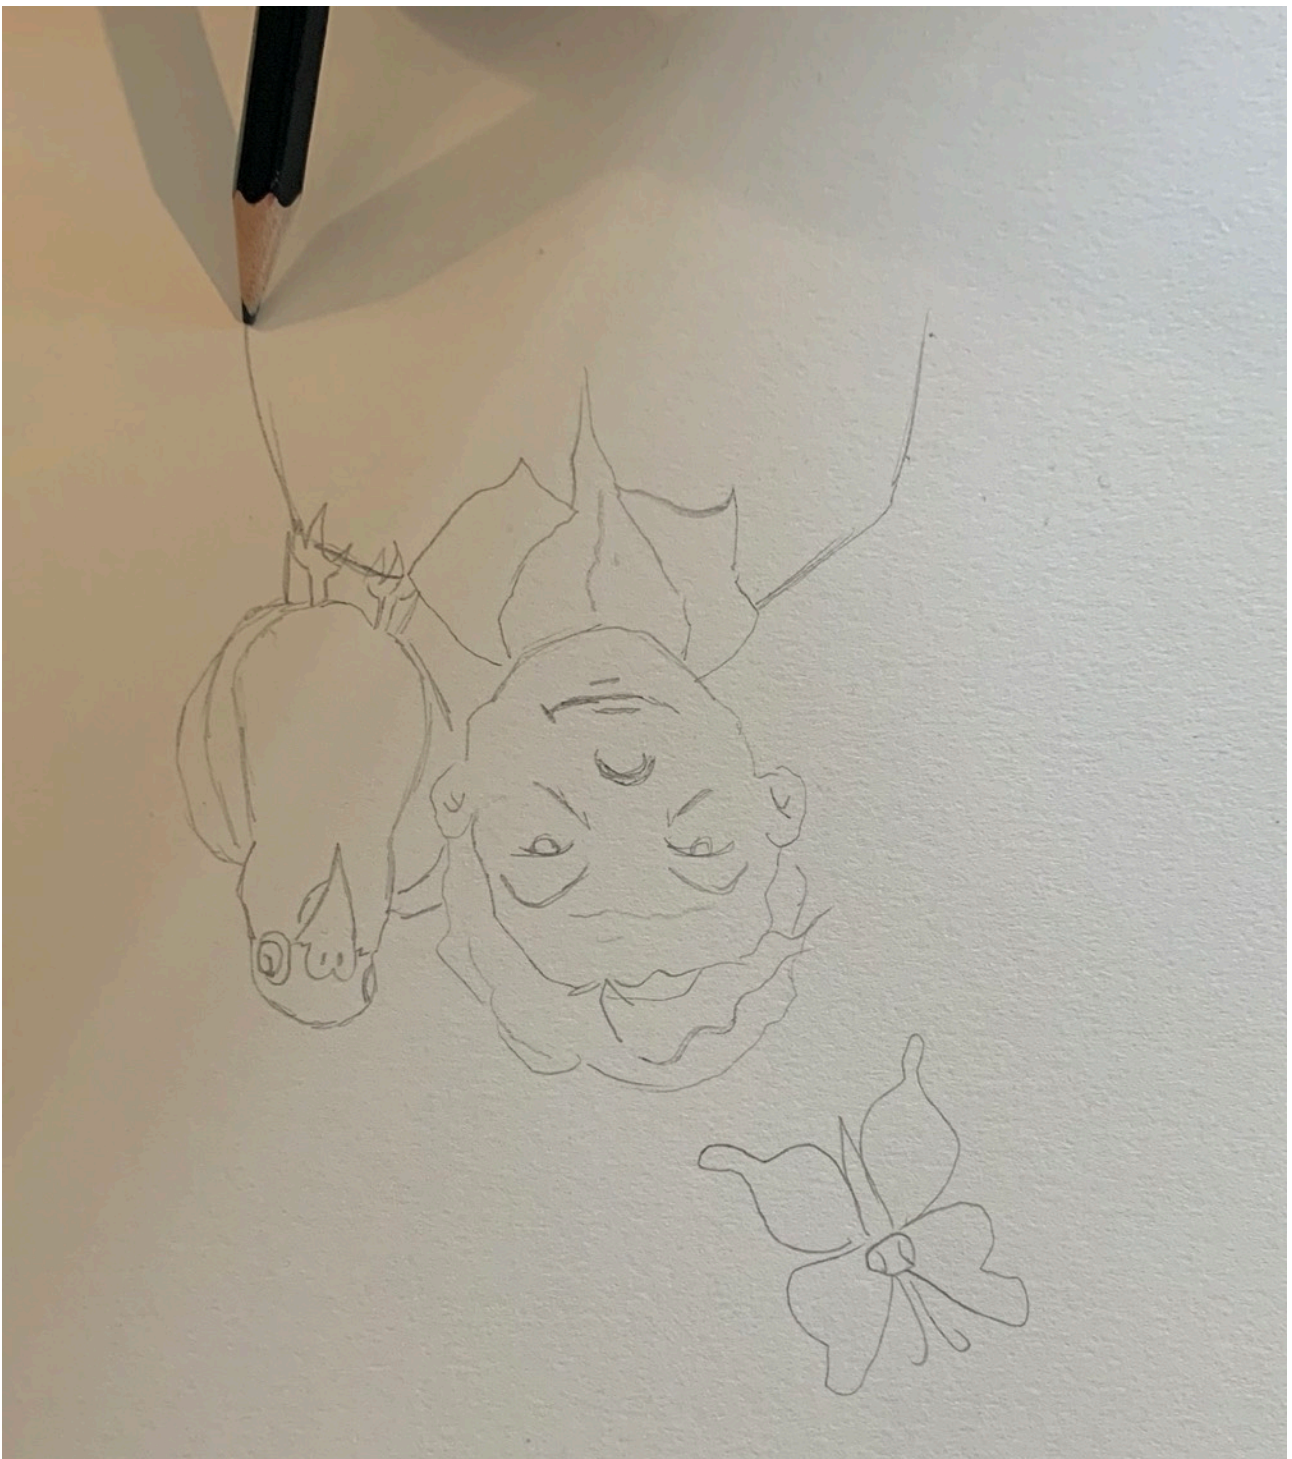

The 19th November is International Men's Day - taking inspiration from that why not do a drawing to celebrate a man who inspires you. They could be family, friends or even a public figure - it's totally up to you!

Tools and Materials:

- Paper
- Pencil
- Felt Tips

First of all think who you want to draw - we thought it would be fun to do something to celebrate Sir David Attenborough who is an English broadcaster and natural historian. He makes amazing documentaries about animals and the planet. Start sketching out your picture - leaving some space to add the name and a bit about why they inspire you - like so

Once you are happy with your drawing you can start to colour its in and write about why they inspire you

There you have it your very own "Men who Inspire" artwork
