

## Feline Fine Art

Taking inspiration from any artwork you like why not create your own version but with cats instead of people!

Tools and Materials:

- Thicker Paper
- Pencil
- Watercolours
- Paint Brush
- Water

First of all think about what image it is you want to recreate - what famous paintings do you know or what can you find on the internet? Do you have any art galleries near that you could go to to explore different artists? We chose to look at “American Gothic” by Grant Wood created in the 1930’s

Start by looking at the composition of the artwork you want to recreate and start sketching your cat creation. It doesn't have to be an "exact" replica the idea is to have fun whilst giving a nod towards a famous artwork - you can still make it your own!

Once you are happy with it you can start to paint it - we recommend watercolour but use whatever paints you have at home if you don't have watercolour. Whatever ever medium you like best!

There you have it your own "Feline Fine Art"!

Here is another we made to inspire you using the  
“Mona Lisa” by Leonardo da Vinci!
