

# International Women's Day

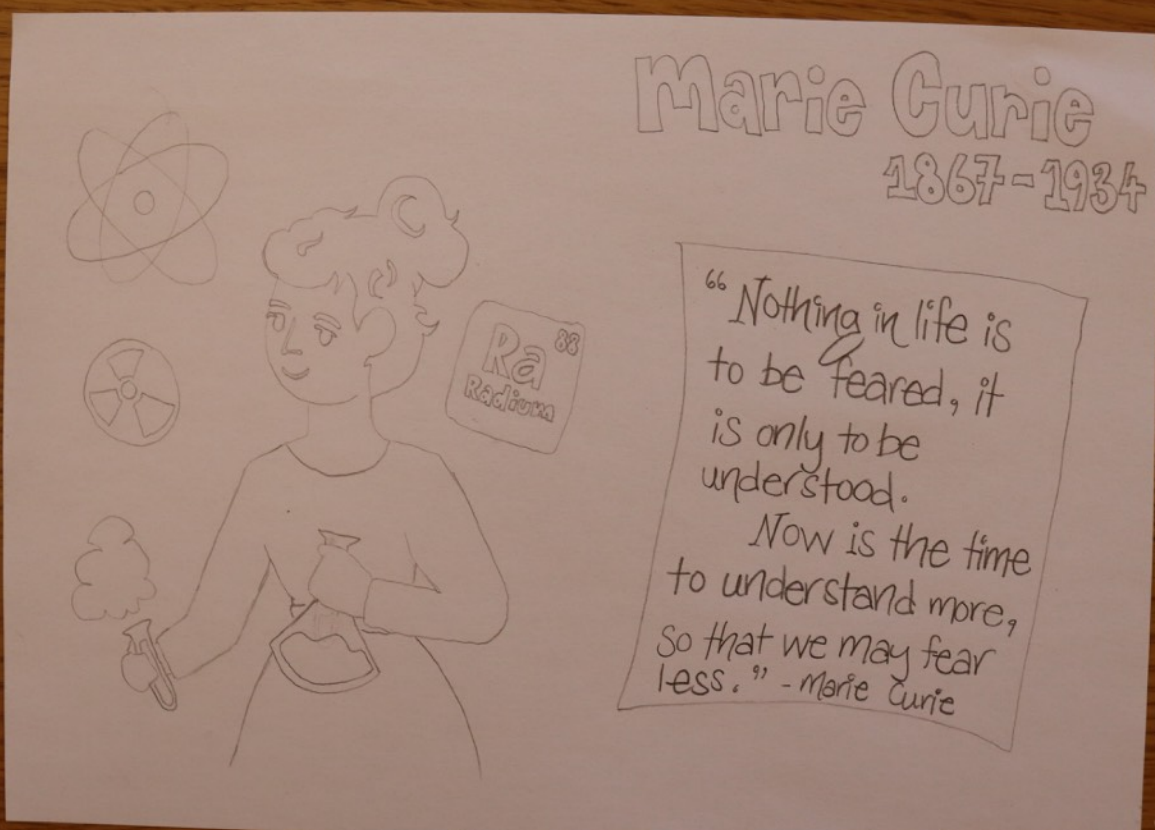

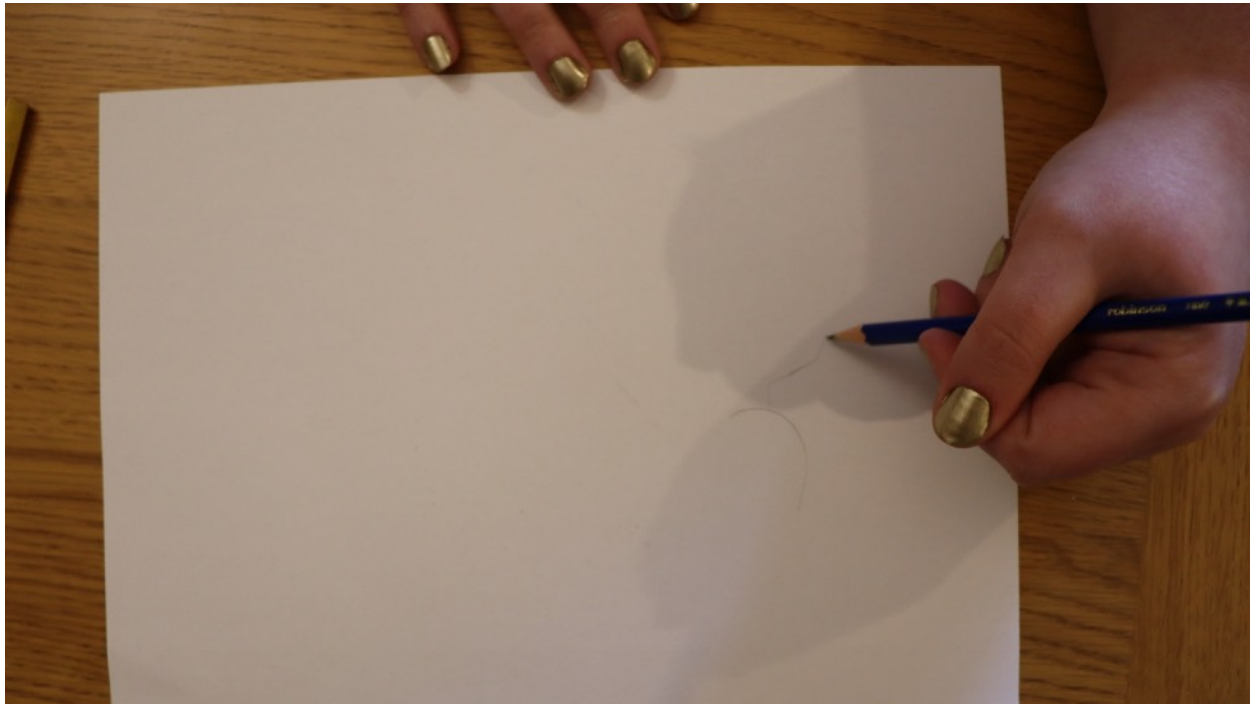

Taking inspiration from IWD why not draw a woman who inspires you - from history or present day

Tools and Materials:

- Paper
- Pencil
- Coloured Pencils

So with drawing a woman who inspires you this could be someone from Science, Tech, Business or TV - anyone really but someone you think has made an impact on society. Think who it is you want to draw and start sketching it out - maybe even you can add a quote from them too! Once you are happy with your sketch you can start to colour it in.

There you have it your very own drawing to celebrate International Women's Day!
